A big "Thank You" to all you Drivers and Riders for staying on the marked course.

Also a big "Thank You" to the Support Crews for leaving the Gas Stop Areas clean of trash.

I might add the BLM as well as the U.S. Fish and Wildlife Service was very happy with the "Silver State "300" event.

I think we can all look forward to a bigger and better 1998 "Silver State "300".

I will work very hard to have a better location for Gas Stops #1, #2 & #3 in 1998.

As soon as I know the TV airdate for both the "Tonopah "300" and the "Silver State "300", I will let everyone know!

However, I'm sure we will see a TV special very soon!

Once again I say "Thanks to all for your support"! You Racers and Support Crews, truly are the "Best In The Desert".
